

An aerial perspective sketch of a city. In the center, a large church complex with multiple red-roofed buildings and spires sits on a slight rise. To its left is a blue lake surrounded by green trees. The surrounding urban area is depicted with numerous white-outlined buildings of varying sizes, some with green roofs. A winding path or road is visible on the right side of the church complex. The overall style is a loose architectural sketch with selective color.

An architectural sketch of a city center, viewed from an elevated perspective. A railway line with multiple tracks runs diagonally across the middle of the image. To the left of the tracks are several multi-story buildings, some with flat roofs and others with more complex structures. To the right of the tracks, there's a large, open square area, likely the new Bahnhofplatz mentioned in the text. This area is surrounded by buildings and has a grid-like street pattern. There are also some green spaces with trees and smaller buildings interspersed throughout the urban layout. The sketch is done in a loose, hand-drawn style with some color washes in green and brown.

An aerial sketch of a village named Nieselberg. The sketch shows a cluster of buildings with red roofs on the left, a large open field in the center, and a road on the right. Greenery is depicted with various shades of green. The text 'STEK Zielbild' is in a green box at the top left, 'Nieselberg' is in a white box in the upper center, 'Kathi-Wiese sichern' is in a green box on the left, and 'Begrünung Hauptstrassen' is in a green box below it. The bottom left has 'Stadtplan BUV Ortsplanungsrevision' and the bottom right has a small '4'.
