

An architectural sketch of a village center. The drawing shows a cluster of buildings with red-tiled roofs and white walls, interspersed with green trees. A blue stream flows through the center of the village. The style is a light pencil or ink sketch with selective watercolor coloring for the roofs and foliage. The overall layout is organic and compact.

Zugang zum Psychiatrie-Gelände zu Fuss

An architectural sketch of a town named Eggfeld. The sketch shows a cluster of buildings in the upper half, with a river flowing through the middle. In the foreground, there is a large, open field with a circular structure in the center, possibly a circus or event space. The drawing is done in a light, sketchy style with some color washes in green and blue.

Prüfung Standort für Zirkus / Eventplatz

An architectural sketch of a residential and industrial area. The drawing shows a mix of building types, including large industrial-style structures and smaller residential houses. Green spaces, trees, and paths are integrated throughout the site. The overall style is a hand-drawn perspective sketch.
